Upon verification of dues being collected by the Union both the new member and their recruiter will receive a monetary incentive for participating in a sanctioned LIUNA NGC Organizing Campaign. Monies will be disbursed in the form of a pre-loaded gift-style card mailed to the individual's home address or email (as indicated above). All parties acknowledge that no goods or services have been received or provided in exchange for Union membership, that they acted voluntarily, and that monies received in the course of this transaction reflect a reimbursement of future membership dues to be collected by LIUNA NGC.
